Finance Management Group LLC is a member of HLB International – a leading global network of independent professional accounting firms and business advisers nowadays presented in 130 countries worldwide.

We are pleased to present you the proposal of the legal protection of your intellectual property. Thank you for your time and consideration.

FMG Legal LLC offers legal service in all areas of law, however with the present proposal letter we offer you a complex legal services particularly in intellectual property law, namely, in case of your consent, we will protect your legitimate rights regarding the intellectual property on a highly-competitive level and protect your trademarks from parallel import and the illegal use by third parties .

In intellectual property law the facts of illegal and mala-fide usage of trademarks of various well-known companies increases day by day that causes significant material damage to these companies and also considerably harms their goodwill and business name on national and international market. Unauthorized entrepreneurial entities actively do parallel import of well known and demanded products in Georgia without right/authority to use abovementioned trademarks. The owners of trademarks often don't have any information

about this. As a result of import and realization counterfeit goods the material damage inflicted to the bona fide companies with exclusive right ultimately reaches a colossal amount.

however legislation and practice regulating this issue is completely new, because of its special importance the usage of legal protection mechanisms in favor of customer/client requires special work. Our company is one of innovators in this field as highly qualified team of lawyers using company's unique strategy based on national and international relevant norms and practice aim to protect customer's trade mark or rights of license holder. With the pride we can say/announce, we successfully achieve settled goals, thus we create a safe environment for business development to our clients through the protection of their exclusive right on trademarks. For this purpose we use all legal leverage envisaged by law to protect the legitimate rights of the client In the courts of Georgia, in the border agencies, intellectual property center and etc.

To stop and prevent unauthorized usage of trade marks by third parties without consent, our company provides qualified legal service to well-known companies operating on the world market such as:

- Henkel AG. Co.KgAa (Persil, Perwoll);
- IpekKagit San. Ve Tic. A.S. (Selpak, Solo);
- Beyaz Kagit ve Hij. Ur. Tem. Ins. San. Tic. A.S (Peros);
- ErusluSaglikUrunleri san. Ve tic. A.S. (Sleepy);
- OntexTuketimUrunleri A.S.(Canbebe);
- Sharmtrading LLC (Persil, Perwoll, Selpak, Solo);
